**IN THE UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF GEORGIA  
ATLANTA DIVISION**

FAIR FIGHT ACTION, INC., *et al.*,

Plaintiffs,

v.

BRAD RAFFENSPERGER, in his official  
Capacity as Secretary of State of Georgia;  
*et al.*,

Defendants.

Civil Action File No.

1:18-cv-05391-SCJ

**DECLARATION OF CHRIS HARVEY**

Pursuant to 28 U.S.C. § 1746, I, CHRIS HARVEY, make the following declaration in support of Defendants' Motion for Summary Judgment on the Merits of Plaintiffs' Claims:

1.

My name is Chris Harvey. I am over the age of 21 years, and I am under no legal disability which would prevent me from giving this declaration. If called to testify, I would testify under oath to these facts.

2.

I currently am the Director of Elections in the Office of the Georgia Secretary of State. I have held that position since July 2015. From August 2007 to July 2015, I was the Chief Investigator and Deputy Inspector General for the

Secretary of State's office, investigating, among other things, potential violations of state election law. For more than a decade, I have acquired firsthand knowledge of Georgia's election processes at both the state and county level.

3.

On December 30, 2019, the Secretary of State ("Secretary") decertified the direct-electronic recording ("DRE") voting machine system, which had been in use in Georgia, including during the November 2018 election. A true and correct copy of the Decertification of the DREs is attached as **Exhibit A**.

This occurred at the end of a process to purchase and deploy a replacement for the DREs called ballot-marking devices ("BMDs"), which the Secretary certified on August 9, 2019 for use throughout the state as O.C.G.A. § 21-2-300(a)(2) requires. The BMDs have been fully distributed and are in use in all counties in Georgia.

4.

In accordance with Ga Comp. R. & Regs. 590-8-3-.01, on December 31, 2019, the Secretary certified that the Voter Registration System is being maintained in a manner consistent with the standards set forth Ga Comp. R. & Regs. 590-8-3-.01(b) and that the standards set forth therein had been reviewed to ensure they remain generally consistent with industry standards. A true and

correct copy of the Secretary's certification of compliance with this rule is attached as **Exhibit B**.

5.

Since December 19, 2019, the Secretary restored Charlesetta B. Young from cancelled status to inactive status. As of June 22, 2020, Ms. Young's voter status remained inactive. A copy of Ms. Young's Enet voter registration information is attached as **Exhibit C**.

6.

Enet voter registration information shows that, since December 19, 2019, David Hopkins, Kilton Smith, and Clifford Douglas Thomas each re-registered to vote and, at least as of June 22, 2020, appear on the list of active voters. Mr. Thomas also voted in the June 2020 primary. Copies of the Enet voter registration information for Mr. Hopkins, Mr. Smith, and Mr. Thomas are attached as **Exhibit D**.

7.

There are approximately 2,300 polling places in Georgia.

8.

Firefly is an electronic communications system that allows the Secretary's Office to communicate with County-level officials.

9.

The Secretary's Office often prepares and disseminates Election Nuggets, Election Updates, "3T's," presentations to members of the Georgia Association of Voter Registration and Election Officials (and/or its predecessor entities the Voter Registrars Association of Georgia and the Georgia Association of Election Officials), Poll Worker Manuals and Certification Courses. A true and correct copy of those documents is attached to State Defendants' Motion for Summary Judgment as **Exhibit (90)**.

10.

A true and correct copy of a 2015 press release announcing the Secretary's publicly available poll worker training resource page is attached to State Defendants' Motion for Summary Judgment as **Exhibit (76)**.

11.

A true and correct copy of a May 22, 2019 email I received reporting Georgia's membership in the Electronic Registration Information Center, a nonprofit organization that assists states with keeping accurate voter registration rolls is attached to State Defendants' Motion for Summary Judgment as **Exhibit (68)**.

*[Signature appears on following page]*

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 29th day of June, 2020.

---

CHRIS HARVEY
